

The Five Pillars of Islam

The five pillars of Islam are the five basic rules that Muslims must live by to live a good life according to Islam.

Find out about each pillar and write about them on the pillars below.

The image shows five identical, empty pillars arranged horizontally. Each pillar is composed of several rectangular sections: a wide base, a narrow middle section, and a wide top section. The pillars are designed for a child to write about each of the Five Pillars of Islam.
